About

Kids Con New England® is New England's favorite comic con for kids and the largest kids-focused comic & children's book convention in the region! We host Kids Con events in spring in Concord, NH, and in S. Portland, ME in fall. Kids Con promotes art education and literacy through family friendly comics, literature, art, workshops and fun activities that inspire creativity and learning, while engaging families in a fun and interactive environment!

This is our 9th year, with average attendance of about 2000 people. Our target audience is kids ages 4-12. Our 2024 ME event will have over 90 kid-focused family-friendly artists, authors, creators, and vendors, creative workshops, as well as superheroes, princesses, costumed characters, game makers, gaming, musical performances, magic shows, jedi & superhero training and more! This is the largest gathering of this type in the region! The unique nature of the event makes for a venue to engage families in a fun and interactive environment, creating precious memories that last.
